

Pay by the month parking

Downtown Bangor, Maine

You can choose your permit lot! Let us know which lot you'd like, and we'll issue you a permit if there's room – or put you on a waiting list if there's not. Pick up your permit each month by the 22nd, or it may go to the next person on the list! You can save pick-up time by purchasing six months of permits in December and June.

Purchase monthly permits at *The Garage* office (info below) between the 15th and 22nd of each month for the upcoming month. Sorry, but permits are not refundable. Lost or stolen permits may be replaced for the purchase price.
